IMPORTANT NOTICE TO ALL PATIENTS

- If you have a follow-up appointment within 90 days or less, all results will be reviewed with you by your doctor at that appointment. You may be contacted prior to appointment to be given specific instructions.
- PAP smear results are mailed to you within 2 to 4 weeks of your appointment. Ask the nursing staff for a postcard at the time of your visit if you have not filled one out.
- Mammogram results are mailed to you directly from Medical Imaging, The Imaging Center for Women and the Mobile Unit of Mary Washington Hospital.
- Pregnant Patients: Your results will be reviewed with you by your doctor at your next scheduled appointment.
- Culture results take 48 to 72 hours before the report is available.
- If your test results are normal you will not be notified.
- If your testing is abnormal and requires further testing or medication, you will be contacted by the nursing staff.
- If you do not have an appointment scheduled for more than 90 days, call the office and the nursing staff will assist you in obtaining your test results.

We hope these guidelines will enable us to assist you more efficiently. Thank you for your cooperation.

I have read and understand the above policy.
